Bloomfield, New Jersey

Make the Bloomfield Trust Company Your Bank

It solicits your patronage, appreciates your
business and will protect your interests

What it offers to you is not simply a depository for your funds. It also extends to you all the helpful services, the comforts and the facilities of a banking home, and it places at your command its long experience and the aid of its trained officers.

3% Interest paid on checking accounts of \$300 and over credited monthly. Checks drawn on our bank are payable in New York City free of exchange. **3%**

4% Interest paid on money deposited in our special interest department. Deposits made on or before the tenth day of July, or the third day of any other month, draw interest from the first of the month. One dollar will start an account. **4%**

In our **SAFE DEPOSIT DEPARTMENT** we have private boxes of various sizes for rent in a vault of the most modern type and construction. Built of manganese steel, it is absolutely burglar, fire, water and mob proof. Boxes rent for \$4 per year and upward. We also have facilities for storage of trunks, bags and bulky packages.

In our **TRUST DEPARTMENT** we can serve as executor of your will or as the administrator of your estate, and our institution is also authorized by law to act as trustee, guardian, registrar, receiver, assignee or in any other fiduciary capacity.
